Academic Integrity

Academic integrity is honest, truthful and responsible conduct in all academic endeavors. The mission of Saint Louis University is to educate and form students for lives of personal and professional integrity, and therefore regards all breaches of academic integrity as matters of serious concern. The full University Academic Integrity Policy can be found on the Provost's Office website at <https://www.slu.edu/provost/policies/academic-integrity-626-2015.pdf>

Additionally, each SLU College, School, and Center has its own academic integrity policies, available on their respective websites.

Disability Accommodations

Students with a documented disability who wish to request accommodations must formally register their disability with the University. Once successfully registered, students also must notify their course instructor that they wish to use their approved accommodations in the course.

Please contact Disability Services to schedule an appointment to discuss accommodation requests and eligibility requirements. Most students on the St. Louis campus will contact Disability Services, located in the Student Success Center and available by email at Disability_services@slu.edu or by phone at 314.977.3484. Once registered, students who do not have a documented disability but who think they may have one also are encouraged to contact Disability Services. Confidentiality will be observed in all inquiries.

Note: due to accreditation requirements, regulatory differences, and/or less specific resources, the School of Law, the School of Medicine, and SLU Madrid have their own standard language for syllabus statements related to
