o Teaching (CIM 6350) – Molly Schaller, PhD

The School of Education has provided a summary document that has been uploaded in the CIM system as well as supporting documents and a proforma with enrollment projections with the grant funding and post grant funding by Dean Ritter.

There is evidence in the documents of the commitment and sustainability component of SOE once the grant funding is gone.

The summer coursework has been adjusted to align with the university summer

- Audit is costly for undergraduate students who audit a course during the regular semester, outside of the 12 -1 8 credits hours. They pay the undergraduate per credit rate. However, most graduate students only pay \$50/hour.
- The request is to move undergraduate students' audit rate to mirror that of graduate students when the course to be audited falls outside of the 12-18 credit hour fall/spring semester tuition. This is more
